Opis produktu

Replacement GeoLink case for Spirit GeoLink.

Package content

- 2x screws
- Plexiglass GeoLink case

Case replacement steps

1. Unscrew 2 screws from bottom side of the GeoLink case.
2. Carefully remove electronics. (PCB)
3. Insert electronics carefully at the bottom part of the case. PCB must be inserted properly - only one orientation is possible. Connector must fit at it's place.
4. Gently tighten the screws.
